The test is on Friday

Upcoming Dates:

Nov 7: Mrs Kane birthday

Nov 11: Veteran's day program 9:30 big gym

Math:

We will start off the week with our Chapter 3 test. We will then mov into rounding to estimate products, multiples of 10 100 and 1000 and using place value to multiply.

Reading:

"Hurricanes A Force of Nature" is our story of the week. We will discuss the vocabulary and the genre and take a comprehension quiz

the story. We will also do Daily Oral Language each day.

Science:

"How does the force of the kick change the motion of the ball?" is our topic. We will discuss energy transfer. We will also continue with our kick system investigation.

Spelling:

Our spelling words are vowel + r sounds. We will work with the words throughout the week and take our test on Friday.

Social Studies:

"Committee of Five" and General George Washington, Thomas Jefferson and the Ragtag Revolutionaries will be our topics this week.

Grammar:

Main and helping verbs and linking verbs will start the week and then we will move into tenses and then helping verbs and past participles.

Writing:

We are moving into a new writing concept this week. We are working on argument and opinion writing. We will read the story "Kite Fighters" to go with the writing.

Veteran's Day Program

We will be honoring the great men and women who have made so many sacrifices for our country, again this year. We will have our Veteran's Day program on Wednesday Nov 11 at 9:30 in the big gym. There will be juice, coffee, and donuts for veterans and their families. All veterans can park on the east side of the building. We will have a guest speaker, music from elementary students, middle school band and middle school and high school choir. There will be different art projects around the school from each of the elementary classes. Our class did the paper chain flag by the band room. Thank you, veterans and their families, for their sacrifices here and abroad. Happy Veterans Day!
