Upcoming Dates:

Nov 11:Veteran's Day program 9:30

Nov 25-27

Thanksgiving break

Math:

We will be working with multiplication this week. We will use models, multiply by two-digit numbers, learn what regrouping is and then learn the Distributive Property.

Reading:

"Catch Me If You Can" is our story of the week. We will work with the vocabulary, discuss the genre and take a quiz. We will also do Daily Oral Language.

Science:

"How can we test if a kick is like other collisions?" We will discuss how to use data to make fair tests, we will make revisions to our investigation and discuss cause and effect.

Spelling:

Our spelling words this week build on last week's words. They are vowel + r words but have /ur/ and /or/ sounds. We will take our test Friday.

Social Studies:

We will start the week with completing our study guide and reviewing it with a partner. We will then take our quiz and move into the Declaration of Independence.

Grammar:

We will discuss verb tense this week. We will learn past, present and future progressive verb tenses.

Writing:

We are moving into a new writing concept this week. We are working on argument and opinion writing. We will read the story "Kite Fighters" to go with the writing.

Have a great week!

Veteran's Day Program

We will be honoring the great men and women who have made so many sacrifices for our country, again this year. We will have our Veteran's Day program on Wednesday Nov 11 at 9:30 in the big gym. There will be juice, coffee, and donuts for veterans and their families. All veterans can park on the east side of the building. We will have a guest speaker, music from elementary students, middle school band and middle school and high school choir. There will be different art projects around the school from each of the elementary classes. Our class did the paper chain flag by the band room. Thank you, veterans and their families, for their sacrifices here and abroad. Happy Veterans Day!
