### Mrs. Kane's Contact

#### Information

Email:

Kimberly.Kane@k12.sd.us

School Phone:

363-5025

421-8407 (cell)

### Upcoming Dates:

Nov 26, 27, 28; No  
School Thanksgiving  
break

### Math:

We are beginning our chapter 4 with multiples of 10, 100, and 1000 and then will move to rounding to estimate products. It is crucial that the students now their multiplication facts so please practice them at home.

### Reading:

We will be reading the "Game of Silence". We will start off with discussing the genre and set a purpose to read. We will work with the vocabulary and then read the story. We will answer comprehension questions after that

and then take a comprehension quiz to wrap up the week. We will also do Daily Oral Language.

### Science:

"What's going on in these devices?" will be how we will begin the week and then we will move into "How does a device get its energy from a battery?"

### Writing:

We will wrap up our informational text stories by publishing them and then share them with the class. They are great stories with wonderful facts about apex predators.

### Spelling:

Our spelling words this week are homophones again so the students

will need to know the meaning of the word as well as the spelling. We will do our test on Friday. Please practice these words at home and we will work with them at school.

### Social Studies:

Manorialism and Knights, Class systems and Guilds, and then a lesson walkthrough will be on the agenda this week.

### Grammar:

Pronoun antecedent agreement will be how we start the week and then we will review pronouns and finish up with possessive pronouns this week.

### Have a Great Week!

## Cooler Temperatures

With last week hitting the month of November we will start to see cooler temperatures. It is hard time of year to know how to dress because it is cooler in the morning and some afternoons it warms up and some don't. Please remind your child to take a

sweatshirt to school with them to keep in the classroom as it can get cool in here and I can't regulate the thermometer. If the class has PE and they want to wear shorts for that, they can, but please have them wear sweatpants over the shorts of

bring clothes to change into. We all know too well SD weather changes quickly, so we need to dress to be comfortable. It is hard to focus on lessons if we are cold or hot. Thanks for the help, any questions, please contact me.
