Fall Party

We will be having our Fall party on Friday October 30th. We will be doing some fun activities in the classroom as well as mingling with other classes. We do ask that you do not send your kid's costume to school as we will not have a costume parade, nor do we need their costume.

You may bring treats for the party. I do ask if you bring food, treats, or baked goods that you bring enough for the entire class, not just a few select students. If there are leftovers from what you bring, I will send them back home with your child.

I do know of a few food restrictions, so I will be mindful of that when I dispense the treats. If you have any questions in regards to the Fall party, please don't hesitate to contact me. I hope you all have a safe and fun Halloween holiday. Boo!
